IMPORTANT ANNOUNCEMENT

Dear Student,

As you are aware that we have started offline practical classes w.e.f November 29, 2021 to provide hands-on exposure in different core areas. We strongly believe that skill development in hospitality related subjects is better inculcated through ~~hands~~ hands-on training only. You are on the verge of joining the industry shortly through institute's campus placement drive. We are about to start our campus placement activities at our institute from the month of January, 2022 onwards. We will be extremely happy to place all our students through our Placement Cell.

In this regard it is now of utmost importance for all the final year students to get back to the institute immediately to attend classes as well as for participating in campus placement activities of the institute for starting a bright career in the hospitality and allied industries. We would also like to inform that sixth semester practical examination (Mid Term as well as End Term both) will be conducted in offline mode only.
